

Letters from Long Ago: 1

May God our Father give
us grace and peace.

We are going to hear some words
which Jesus' friend John wrote to
some of the very first Christians.
Let's listen carefully...

'My children, our love should not be just words and talk; it must be true
love, which shows itself in action.'

1 John 3: 19

Lord of love,

We know that there are many
ways to show love to each
other.

Help us to learn what the best
ways are for us to show love
in our school in our families
and in our friendships.

Amen

Thinkabouts:

What did the reading make us
think?

Were there any words that were
difficult to understand?

How many different ways of
showing love do we know?

Let's make a list ...

Wonderings

What is *your* favourite
way of showing love?

Peace be to our whole
community, and love with
faith, from God.
