

Love never gives up,  
its faith, hope, and patience  
never fail.

The disciples saw Jesus perform many other miracles which are not written down in this book. But some have been written in order that you may believe that Jesus is the Messiah, the Son of God, and that through your faith in him you may have life. *(From John's Gospel, chapter 20)*

Thinkabouts:

According to the Gospels Jesus did many miracles. A lot of these were healing miracles.

Take a moment to think about how important healing is in the world today and how much we rely on everyone who works to heal people.

Let's wonder for a moment:

How many miracles of Jesus do you know?

Are there any other amazing things that have happened that you think were miracles?

**Father God,**

**You have shown us how much you care about us through miracles, stories and giving your Son.**

**We pray in faith that healing will come to everyone who is sick and that you will restore them to health. We pray too for everyone who is striving to bring healing in our clinics and hospitals, give them strength and comfort in their work.**

**Amen**

Love never gives up,  
its faith, hope, and patience  
never fail.
