NO How would I design a new year celebration for Christians.

Look Sannah

Story from the bible:
"Who am I?"

The celebration 'Look Sannah' is Christians new year. It reminds Christians of the bible story "who am I?" when Jesus asked of his disciples who they thought he was.

Food:

apple dipped in honey
Chicken or turkey
Challa bread
sweet carrot stew
tomato soup
fish fingers
Sausages

People normally have special good life challa bread, apple dipped in honey, chicken or turkey, sweet carrot stew, tomato soup, fish fingers and sausages. In the story of 'who am I' Jesus asks his disciples 'who do you think I really am?' Peter answered 'You are the promised King'. Jesus suddenly turned white as a ghost and a shadowy cloud fell over them and God spoke.

How to celebrate:

feasts
use fireworks
families get together
have fun!
parties
poetry
go to church
ring bells
light (candles)

To celebrate at Look Sannah people light candles get families together and have a special meal. Sorry activity: write down your sins and bury them. I chose the story 'who am I' because at New Year people should remember who Jesus was.
