

# Building

Let's wonder

Do you like building things?

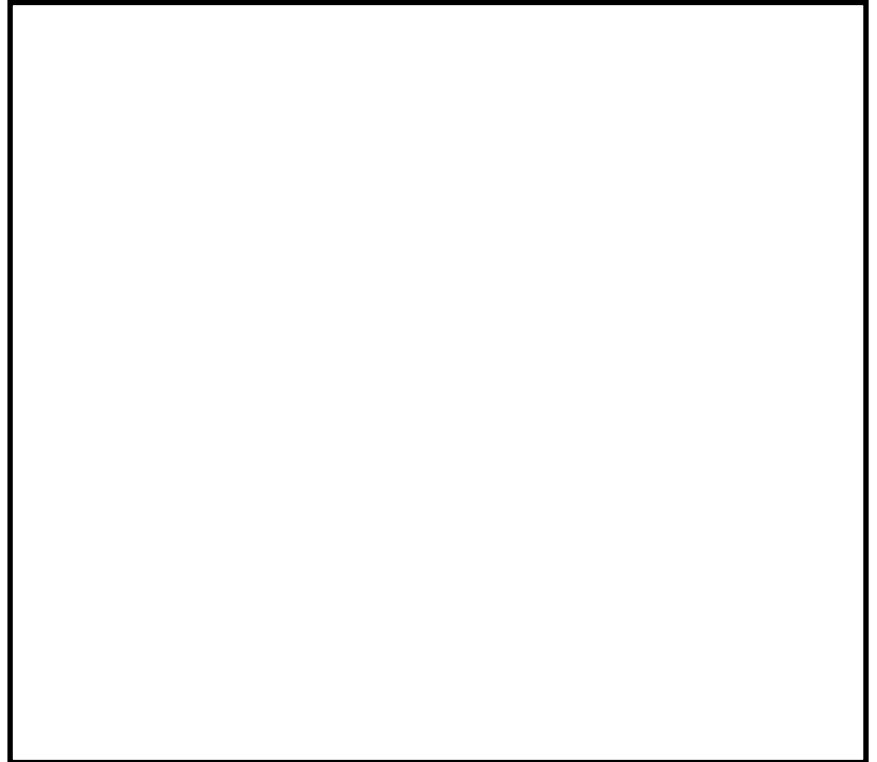

What do you like making best?

How does it feel to make things?

Use your favourite blocks or other building materials and make something.

Draw a picture of it or take a photo to put in the box.

Talk to your friends about what you have made.

Jesus told this story about people building houses ... 'Anyone who follows my words and is like a wise person who built a house on rock. The rain poured down, the rivers flooded, and the wind blew hard around the house. But it did not fall, because it was built on rock. Anyone who does not follow my words is like a silly person who built a house on sand. The rain poured down, the rivers flooded, the wind blew hard around the house, and it fell with a great big crash.'

**God, maker of the world,**

**The world you made is full of beautiful things**

**Help us to remember your words when we make things of our own so that they will be strong and well made.**

**Amen**
