

'Life in all its fullness' (John 10:10)

The Statutory Inspection of Anglican and Methodist Schools (SIAMS) is the Church of England's outworking of the requirements of section 48 of the Education Act 2005. It is a key element of the life of all Church of England schools and academies. The SIAMS Framework 2024 is not just for inspections. It should be used as a working tool to support leaders in developing their schools as Church schools.

We offer training to provide school leaders, staff, governors and trustees with the knowledge and skills to uphold the Christian vision of their schools and live up to the Church school foundations. Training includes an introduction to SIAMS for those new to inspections and an in-depth day helping leaders craft the SIAMS self-evaluation document. All advisers leading SIAMS sessions are experienced inspectors bringing their experience of inspection to the courses we offer.

“An engaging session that has empowered me to make a difference – thank you”
