Christianity: Reality and Truth

Y2 Summer 1

How do Christians decide what is right?

Key vocabulary

Commandment – set of rules or laws. The bible shows us 10 commandments shared with Moses.
Conscience - thought and feeling you have that tells you whether something is a right or wrong thing to do or say
Sermon – speech or a talk that a religious leader gives during a religious service.

Key Questions

- How do you know what the right things to do are?
- How do Christians know what the right things to do are?
- Who helps Christians to know the right things to do?
- Does it matter if different people think differently about how to live?
